Wedding Announcement Form

This form is only a guide. Please feel free to add other information you think people would like to know. Also, you don't have to return this form. You can just put the same information into an email and send it to news@thesunontheweb.com.

The most important part is to send a high-quality, high-resolution photo. If you have any questions about that, just drop a note to news@thesunontheweb.com or call us at 717-566-3251.

Oh, and please forgive the traditional groom/bride, he/she references. We really don't care as long as you're actually, legally married.

Thanks ... and congratulations!
